Description

The 2015 Princess V72 is a stunning example of luxury and performance, crafted to the highest standards and offering design features typically found on larger mega yachts. Measuring 22 meters in length, this Spanish-flagged vessel is located in Marina Ibiza and available for immediate delivery.

The yacht has undergone a FULL REFIT in 2024, valued at €215,000.

Key upgrades and enhancements include:

Essential Improvements:

- **New water maker** for improved onboard water independence.
- **Upgraded kitchen** facilities to enhance meal preparation.
- **Advanced audio system** for superior entertainment.
- **Navigation plotter** for enhanced maritime navigation.
- **Fresh carpeting** to revitalize interior aesthetics.
- **Security camera system** to improve safety and monitoring.

Additional Enhancements:

- **Refreshed upholstery** and **new vinyl finishes** for a modern, refined look.
- **Upgraded anchor chain** for increased anchoring reliability.
- **Stabilisers** for smoother sailing and reduced motion discomfort.
- **New ice maker** for added convenience.

Its expansive saloon features a seamless layout that opens to a spacious aft deck, perfect for entertaining. Secure side decks lead to a cleverly designed foredeck with additional seating and sun loungers, ideal for relaxing at sea. The galley, located on the mezzanine, is fully equipped and complemented by stacked washer and dryer units for added convenience.

Accommodating six guests, the yacht boasts three luxurious staterooms: a full-beam owner's suite, a VIP cabin with a double bed, and a twin cabin, each with its own ensuite bathroom. The crew quarters aft are equally well-appointed, featuring a separate restroom.

The cockpit, accessible through sliding glass doors, offers a U-shaped sofa, a teak dining table, and a fully stocked wet bar, all shaded by the yacht's superstructure. A wide sunbed covers the tender garage, while a submersible bathing platform makes swimming and tender launches effortless.

Powered by twin CAT engines with 1.750 horsepower each and 1.200 hours of use, the Princess V72 delivers impressive speed and power, combining sleek design with unrivaled performance on the water.
